“serving the homeless a RAY OF HOPE”

July 2013

Issue 4

In June we celebrated one year that we have been serving the homeless in San Bernardino. One of our praise reports is a woman named Sherry who has been clean and sober for six months now and is living in a rehab home. She stills

comes to the park to receive not only her meal but she also seeks Godly guidance and encouragement from us.

Some of you may remember, Rachelle who many of you have prayed for

because she was hit by a stray bullet a few months ago. She is out of the hospital and beginning to heal but unfortunately she still has to endure the hardships of living on the streets.

This is Jeff who used to live in a tent in the park. He now works around the property of an

unfinished house where he is also able to live which provides shelter and electricity for him and Jake, his dog.

God has given us a design for a t-shirt for the ministry. The front states our name and what we are called to do, “serving the homeless a ray of hope”. The back of

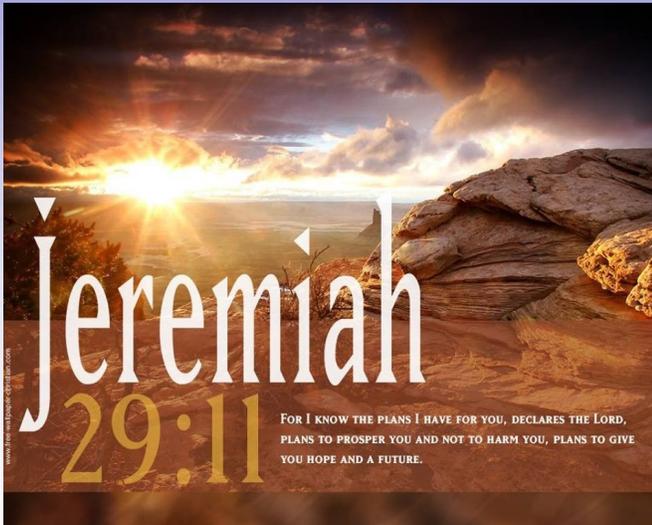

the shirt gives our website and quotes the scripture God has based the homeless ministry upon, “I know the plans that I have for you, declares the Lord. They are plans for peace and not disaster, plans to give you a future filled with hope” (Jer. 29:11).

If you are interested in buying a t-shirt to support our ministry please contact us. The prices will vary (\$17-\$30) according to your size and the

amount we are able to purchase. The more we are able to purchase, the less expensive the shirt will be.

In the past year we have grown to love our friends in the park. We have shared food, prayers, our ears for listening, our shoulders for them to cry on, God's Word ...ultimately giving them a ray of hope... to God be all the glory.

Thank you for allowing us to have the privilege to minister to the hurting and the lost. Thank you very much for all prayers and support. We cannot continue this ministry without your prayers and donations. May the Lord bless you in all that you do.
